

**Professor Andrew Messenger**

President, Institute of Trichologists

Honorary Professor, University of Sheffield

Sheffield, South Yorkshire, England

---

Andrew Messenger is a dermatologist who was based at Sheffield Teaching Hospitals and Sheffield Children's Hospital until his retirement from clinical practice in 2020. He has a longstanding interest in hair biology and disorders of hair growth and maintains an active involvement in clinical and laboratory-based research. He was a founding member of the European Hair Research Society and was its president from 2004-2006. He chaired the World Congress of Hair Research held in Edinburgh in 2013. He is currently the President of the Institute of Trichologists and Honorary Professor at the University of Sheffield.
